

**TOWNSHIP OF HAINESPORT**

**ORDINANCE NO. 2017-8**

**AN ORDINANCE OF THE TOWNSHIP OF HAINESPORT  
DIRECTING THE ESTABLISHMENT AND MAINTENANCE OF  
AN ABANDONED PROPERTY LIST PURSUANT TO N.J.S.A. 55:19-78 et seq.,  
and ESTABLISHING PROCEDURES FOR ADDRESSING ABANDONED AND  
VACANT PROPERTIES WITHIN THE TOWNSHIP OF HAINESPORT**

**WHEREAS**, the Mayor and Township Committee of the Township of Hainesport wish to protect the public health, safety and welfare of its residents by establishing minimum standards for the maintenance of commercial and residential premises; and

**WHEREAS**, the Township concurs with the findings of the State Legislature articulated at N.J.S.A. 55:19-79 that abandoned properties, particularly those located in close proximity to occupied residences and businesses, create a wide range of problems for local communities, foster crime, create public health problems, and otherwise diminish the quality of life for residents and business operators; and

**WHEREAS**, the Township further finds that abandoned properties diminish the property values of neighboring properties, have a negative effect on the quality of life of adjacent property owners, increase the risk of property damage through arson and vandalism, and discourage neighborhood stability and revitalization; and

**WHEREAS**, the Township further finds that it is well established that a property owner has the obligation to maintain his property in sound condition and prevent it from becoming a nuisance to others, which responsibility extends to properties which are not in use; and

**WHEREAS**, recent events in the local and national economy and its associated housing market have led to a drastic rise in the number of foreclosed houses; and closed businesses and homes are frequently repossessed by banks, financial institutions and large real estate conglomerates who have little or no connection with the municipality in which they own property; and;

**WHEREAS**, many of these businesses and homes are frequently vacated prior to the conclusion of the foreclosure process. Businesses and homes sit empty for months or years at a time awaiting foreclosure sales; often creating a substantial unattractive, unsafe public nuisance and neighborhood blight. In many instances, these businesses and homes are in violation of multiple aspects of state and local building, sanitary and nuisance codes. The mortgagees are large financial institutions located out-of-State and fail to adequately maintain and secure these vacant properties, making enforcement efforts very difficult; and

**WHEREAS**, the presence of vacant residences and businesses can discourage potential buyers and/or tenants from purchasing a home and/or business adjacent to, and/or within neighborhoods with such vacant properties; and

**WHEREAS**, foreclosures, closed businesses and vacant homes and their impact on local residents' quality of life have become a nationwide epidemic. Banks and other financial institutions are failing to adequately maintain properties they now own and municipal inspectors have turned into investigators as they try to find out who the new owners are and how to contact them to correct code violations; and

**WHEREAS**, it is in the public interest for the Township of Hainesport to impose a fee in conjunction with the registration of vacant and abandoned properties in light of the disproportionate costs imposed on the Township in dealing with the problems of vacant and abandoned properties, including, but not limited to, property inspections, neighborhood complaints, etc.; and

**WHEREAS**, fees generated by registration of vacant properties will be utilized to maintain safe conditions, address any quality of life violations, administrative costs, and the like; and

**WHEREAS**, the Township desires to use the powers granted by local governments under the laws of the State of New Jersey to address the conditions created by these building and unimproved properties, and further their re-use for productive purposes;

**WHEREAS**, in furtherance of the efforts to control the blight of abandoned properties, it is necessary for the Township to: (1) provide for the identification and listing of such properties; (2) maintain such list of abandoned properties, which may exist throughout the community; (3) designate the Public Officer charged with the responsibility for identifying such properties and maintaining such list; and (4) develop procedures to address the rehabilitation/possession of such properties; and

**NOW THEREFORE BE IT ORDAINED AND ENACTED** by the Mayor and Township Committee of the Township of Hainesport, County of Burlington, State of New Jersey as follows:
